Re: Lifetime Foundation Repair Warranty applicable to _____ :

Enclosed with this letter are your Alamo Hy-Tech Foundation, Inc. lifetime repair warranty and an Assignment of Foundation Repair Warranty. Subject to certain conditions expressed in your repair contract and the warranty itself, our foundation stabilization work is guaranteed to you during the lifetime of the structure supporting this foundation.

This Foundation Repair Warranty is an important legal document that should be maintained in a safe and secure location. These repair warranty rights are transferable to a new buyer/owner anytime, while the foundation still supports its original structure.

In the event you sell this property, you must send Alamo all the following items within thirty (30) days of deed recordation on the public records:

1. This original warranty;
2. Assignment of Foundation Repair Warranty;
3. A photocopy of the warranty deed evidencing change in ownership; and
4. Transfer fee of \$300.00 made payable to "Alamo Hy-Tech Foundation, Inc."

Within fifteen days of receiving the above information, Alamo will reissue an original foundation repair warranty in the name of the new property owner.

We are extremely pleased you have placed your confidence in Alamo to perform these important structural services. As you know, Alamo has been successfully correcting foundation deficiencies like yours for more than ten years. Alamo will always be here to "straighten-up" those errant foundations. Our foundation experience, business integrity and substructure expertise is truly "set in concrete!"

With kindest regards,

Cindy Gregson, Office Manager
CG/wg
